

REMARKS

As a result of a series of telephone conferences between the undersigned attorney for applicant and Examiner Nguyen, claim 9 has been amended to indicate the unit is installed in a raised-floor system above a base floor. Examiner Nguyen indicated such an amendment would result of allowance of claim 9.

To optimize applicant's coverage, the claims previously indicated as allowable that previously depended on claim 9 or depended on claim 6, and that do not recite an installed system (i.e., claims 7, 8, 15, 16, 20, 21, 22 and 36) have been amended to include the subject matter of claim 9 as submitted prior to the present amendment. Allowance is in order.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 08-2025 and please credit any excess fees to such deposit account.

Respectfully submitted,
